PENN GOLD

PALE MUNICH HELLES LAGER

SPECS

ABV
4.5%

OG/plato:	12.0
FG/plato:	2.8
Hops:	Perle
Malt:	2-Row

COLOR
LIGHT — DARK

HOPS
20
BITTERNESS (IBU)

Tasting Notes:
Soft and malty, with a balance of flavors coming together against a subtly spiced hop background. This Golden Lager truly is a quaffable delight.

GABF® - GOLD MEDAL - 1990, 1993, 1998, 2001, 2017

GABF® - BRONZE MEDAL - 1999

ABOUT

As pale Bohemian Pilsners began to proliferate in the 1800s, the centuries- old tradition of dark beers in Munich eventually faded, and soon "helles" (pale) beer became a staple for Bavarians. This southern German favorite is produced by nearly every brewery in Bavaria. Helles beers are typically served in ein Maß, or Kruege (iconic one-liter beer stein).
Although light in color, Helles is a far departure from what we typically think of as "light beer." This medium- to full- bodied beer showcases pale two-row malted barley, direct-fired boiling, and centuries-old decoction mashing techniques that all add to its delightful characteristics.
